About Gujarat Maritime Board

Gujarat Maritime Board (GMB) has established itself as maritime leader in port development, privatisation and specialised cargo handling in India. It is also the first maritime board of the country which was created up in 1982 with a vision "To enhance and harness ports and international trade as vehicles for economic development. With foresighted thinking and strategically located with 1600 kms coastline, the longest among the maritime states of India, Gujarat is the nearest maritime outlet to Middle East, Africa and Europe with highest number of commercial cargo ports.

Organized Institute

The Institute was established by Education Department, Government of Gujarat and Gujarat Maritime Board in the year 2016. From then, it has been playing a pivotal role in providing best education to the students of coastal region of Saurashtra. The Institute is approved by AICTE New Delhi and affiliated to GTU Ahmedabad. The college has a completely eco friendly environment, away from hustle and bustle of city. We are offering Diploma in Computer, Electrical, Mechanical and Civil Engineering courses.

About AICTE-ISTE Induction/Refresher Programme

AICTE-ISTE Induction/Refresher Programmes are essential for teachers in technical institutions for their professional refinement. The teachers today should be multi-skilled and multifaceted to face the different challenges in teaching learning process. They are in position to adopt the most modern technologies to cope with the changing trends in education sector and hence, this programme is intended to impart the best innovative practices in teaching learning process to aid the teachers in technical education to adopt these practices and make the teaching learning enjoyable with innovation.

Objectives of Programme

- To impart the best innovative educational practices in teaching learning process
- To update knowledge and improve pedagogical skills of teachers
- To provide an opportunity for teachers to know the latest technological advancement
- To aid teachers in creating industry ready students
- To enable the teachers to understand the psychology of the students of the digital age

Who should attend?

Faculty members of engineering (Degree, Diploma, PG), Pharmacy, MCA, MBA recognized by AICTE, New Delhi and Industrial personnel, etc.

Guidelines to participants

- Selected candidates will be intimated one day prior to programme through email.
- Certificate will be issued to only those participants who have full attendance and qualified in test.

Programme resource person

Sessions will be conducted by eminent experts from renowned Universities and industries.
